All drawing dimensions supplied by **NESPA ENTERPRISES INC.** are for reference only. All CAD files were created using AutoCAD file (*.dwg) and were provided as a service to our customers using AutoCAD. Errors sometimes occur during this process and with software incompatibility upon opening a file. **NESPA ENTERPRISES INC.** and/or any authorized distributor of our products will not be held responsible for problems arising from files which have been converted and does not warrant the documents against deficiencies or typographical errors of any kind. We recommend that all measurements are verified with actual physical product before any custom fabrication in the field occurs.
