*Create Your Own Escape
with the Elegant Look
of Travertine*

Bring the look of rich, Travertine stone into your space. The Cortona Colorbody collection from Daltile has the air of olden Tuscan charm with a captivating and contemporary twist. Where ancient history meets the modern age, this tile reflects the organic beauty of travertine stone, featuring chiseled edges and light surface pitting. Choose from a variety of colors, finishes and sizes to create the perfect look.

High-End & Classic Appeal

- Rich aesthetic that easily coordinates with most designs and styles.
- Customize with assorted colors, beautiful accents and two available finishes.

*Travertine Design
& Organic Texture*

- Realistic, natural stone details with strong, shaded veining.
- Chiseled edges and light pitting resembling the texture of natural stone.

Suitable for exterior applications in freezing and non-freezing climates when proper installation methods are followed.

NOTES

Manufacturer Warning: These tiles have a dynamic coefficient of friction less than 0.42 as measured by the DCOF Acutest method. Tiles with DCOF Acutest values less than 0.42 are not recommended for use in areas with wet or slippery conditions. If such tiles are used as a walking surface where water, ice, oil, grease and/or other substances are present, such a condition could cause a reduction in foot traction and become unexpectedly slippery resulting in a fall or personal injury. See ANSI standard A137.1 section 6.2.2.1.10, available at www.tileusa.com.

Strong random shading is a part of the natural beauty of this product. To achieve the maximum intended results, tile should be pulled from multiple cartons and placement decided upon prior to installation.

Special consideration needs to be given when installing tiles 20" and larger. Please refer to www.daltile.com/LargeTiles for more information.

Water, oil, grease, etc. create slippery conditions. Floor applications with exposure to these conditions require extra caution in product selection. Not for use on ramps.

For additional information, refer to "Factors to Consider" at <http://daltile.com/factors-to-consider.cfm>.

TRIM

TYPE	NUMBER	SIZE	PCS. PER CARTON
