LED UNDERWATER AND WATER FEATURE LIGHTING

Over 25% Brighter for 2015!

New J-Series

Works exclusively with Jandy® controls

The Original & Most Innovative Pool Lighting in the Industry

SAVI MELODY-J

The SAVI Melody is our best seller and the original nicheless underwater LED light. For over 7 years, the Melody has set the standard for versatility, ease of installation and customer satisfaction for color pool lighting. Interchangeable with the white light Blanco. RGB color LED lighting ideal for shallow water applications like steps, swim outs, sun shelves and beach entries. The Melody synchronizes with all SAVI J-Series lights and lighted water features. Upgrade to MELODY SOL-J for 2x the light.

Mini MELODY-J

At only 4.25 inches in length and at 80% the brightness of the Original Melody, the new Mini Melody-J offers an unprecedented value in a small package. Ideal for steps, swim-outs, spas, sun-shelves, shallow water applications and small swimming pools, the Mini Melody-J packs a punch in RGB at only 6 Watts of power. A single 50W transformer can easily power up to 7 lights.

MELODY SOL-J

2x the brightness as the SAVI Melody-J with all the same great features like ease of installation and customer satisfaction for color pool lighting. RGB color LED lighting ideal for single light pools and larger dimension pool designs. The Melody SOL-J synchronizes with all SAVI J-Series lights and lighted water features. Interchangeable LED Cartridge with the white light Blanco Pro.
