

Tile Selection Instructions

HOW TO SELECT TILE FOR YOUR SPA

1) CHOOSE THE MANUFACTURE:

Standard - National Pool, Portobello, Cepac, Dal, American Olean, Noble Tile, Fujiwa, International Pool, Luv tile
Specialty Tile or Stone - Walker Zanger, Ann Sacks,

2) CHOOSE THE SIZE:

- Tile size is 3" x 3" or 2" X 2" standard although larger sizes are available: 4" X 4", 6" X 6", 12" X 12", 16" X 16"
- All spas that are round or have radius design shall have 2" X 2" or 1" X 1" tile only
- Tumbled Marble is available in 1" x 1", 2" x 2", 4" x 4", 6" x 6"

3) CHOOSE THE LAYOUT:

When selecting tile for your Nespa spa you can select one color or several. The diagram to the right reflects suggested area's to tile. Availability of tile can vary or be limited.

4) NOTE:

The quoted spa price includes a \$4.00 per sq. ft. tile cost allowance. If this tile cost is exceeded the customer pay's the difference

Manufacturing process requires tile to be used before production of spa begins. For this reason we strongly suggest that you check with Nespa as to tile availability and possible shipping delays.
